

SCHMETZ Combi packs

SCHMETZ

Bring on the next sewing project - you're always perfectly prepared with our Combis.

With SCHMETZ Combi packs, you are always perfectly prepared for a wide range of projects. Depending on the version, our practical Combi sets offer different needle types and needle sizes in a single pack: from the Basic Set with standard needles in the most common needle sizes and the Basic Twin, which also contains a twin needle for amazing seams, through to the

Special Large Combi with Special Needles such as Leather and Microtex Needles. The Combi packs are the perfect way to try out different needles without buying an entire pack of one needle type and provide hobby sewers with a hassle-free way to put together a basic set of different needles.
